Dear Matt:

According to your request, enclosed are the patent application files for the "Reinforced Polymer Shock Absorbing Pad" (File No. C228 1020.4) and "Attenuating Horseshoe" (File No. C228 1070.1). The remaining patent files will be sent to you shortly. Womble Carlyle Sandridge & Rice relinquishes all responsibility for these matters as of June 3, 2004. In particular, we will take no action to respond to the deadlines outlined below. You must file appropriate responses in the U.S. Patent Office by the indicated deadlines to avoid abandonment of these patent applications.

Also enclosed is a schedule showing all of your patent matters, their status, and any upcoming actions due. Of particular note are the following deadlines for the two enclosed files:

C228 1020.4	Response to Notice to File Missing Parts due <b>June 7, 2004. THIS DATE IS NOT EXTENDABLE.</b>
C288 1070.1	Response to Office Action due <b>June 11, 2004.</b> <b>THIS DATE IS NOT EXTENDABLE.</b>

Each of these items must be filed with a request for a three month extension of time and the requisite fees.

Christopher Bolen in our RTP office is gathering your trademark files and will provide them shortly. I wanted to get the two patent files to you immediately, however, because of the upcoming deadlines.

Sincerely yours,

WOMBLE CARLYLE SANDRIDGE & RICE
